"The Mission of Surry Baptist Association is to glorify God through Jesus Christ by assisting and encouraging Congregations in a partnership of cooperative ministries of reaching people and developing believers."

From Your Director of Missions — Dan Merritt

Oh my!! June marks that the year is half over! Can that be true? We pause to ask, "Where has the time gone?" Time seems to vanish quicker than steam from a teapot. Speaking of time, June is the time of the year when many events and activities will compete for our time and we must decide which activities we deem important for us to give our time, too. June is a time for graduations, Father's Day, VBS, ball games, vacations, weddings, cookouts, and much more. Since it is difficult to be at two places at the same time, we must decide where our time is best spent. But regardless of how busy we are, there are some activities we must always take time for and not neglect.

First, we must always take time to pray. Prayer is the Christian air. Prayer for the Christian is as important as breathing. In prayer we recognize our dependence upon the Lord, our need for heavenly wisdom, our need for strength beyond ourselves, for help in everyday living, and praying for the Lord to work in the lives of the lost we know.

Second, we must always take time to read the Word. A Christian life without a daily feasting upon the Word is like a person who misses eating daily. If one misses eating physical food they will grow weak, if one misses reading and digesting the written Word they will grow weak spiritually. How can we expect to hear the Voice of the Lord above the noise of the world if we don't partake of the Living Word of God daily?

Third, we must always take time to praise and offer thanksgiving to the Lord. Every day we must fill our mouth with praise and thanksgiving for His many blessings upon us. Foremost for our salvation, and for all the spiritual, physical and material blessings He has bestowed upon us. This ol' world can be a depressing place at times, but when we praise Him we realize we are too blessed to be depressed! An attitude of praise carries us unto the altitude of His presence.

Fourth, we must always take the

time to help someone. Every day we must take the time to seek to be a blessing in someone else's life. We can do that through a pleasant word, a phone call, a text message, a visit, mailing a card, etc. The Good Lord made us to be "other oriented" and we are most happy when we are not turned inwardly, but focus each day on being a blessing in another person's life.

Fifth, we must always take the time to worship. In worship, we focus not on our own inadequacies, but focus upon the One who is worthy of our praise, allegiance and surrender. In worship we draw near to God and He draws near to us. If we neglect worship, we lose heaven's perspective of the situations and circumstance that we encounter in life. We must not neglect private worship nor neglect corporate worship by gathering with like believers on Sunday. Worship is the missing jewel in the life of many individuals and churches.

So while many June activities vie for our time, the five activities listed are ones we must not neglect to give our time to if we are going to be the Christian ambassador and witness the Lord would have us to be.

It is a joy and a privilege to be your Director of Missions. If I can ever be of help to you, give me a call or stop by the office.

Serving Christ Together,

Dr. Dan

Thank you
FOR YOUR SUPPORT

A special "Thank You" to all SBA Churches for your faithful financial support, encouragement, and prayers, as we have endured the pandemic for the past year. While for a time some associational programs and activities had to be curtailed or put on hold, it is with prudent prayer we begin to progress back toward normalcy in our churches and association. A philosopher once stated, "That which does not destroy us, makes us strong." As we are now coming out the back side of Covid-19, we come out stronger together. Again, a big "Thank You" to all the SBA churches for your faithful support and all you have done to continue proclaiming the Gospel through difficult times.
